If it ain't chocolate,
it ain't breakfast!

Chocolate . . .
The breakfast of champions.

Exercise is a dirty word...
Every time I hear it, I wash my
mouth out with chocolate.

If not for chocolate, there would
be no need for control top
pantyhose. An entire garment
industry would be devastated.

I could give up chocolate
but I'm not a quitter.

called" chocolate lovers complain about
the calories in chocolate, when all true
chocoholics know that it is a vegetable. It

veggies, 'huff said.

chocolate slows down the
aging process . . .

It may not be true, but do I
dare take the chance?

Caramels are only a fad.
Chocolate is a permanent thing
